

Flying drones to find Jesus

Mission Taiwan, 6/30- 7/11, 2025

- a) Organize teams with 4 kids each.
- b) Assign each team with 4 positions, Pilot, Observer, Recorder and Retriever. Pilot flies the drone, Observer watches for safety on person and drone, Retriever presents the answer, and Recorder rotates each kid's position.
- c) The Retriever gets the question from the teacher, each team has a different answer. The pilot flies the drone to search its answer which is written on a cardboard among others placed in the front. The answers are all about Jesus.
- d) The Pilot uses the magnet hung from the drone to retrieve the cardboard. The team is to find a word in a single fly or to make a verse from multiple flies.
- e) The Recorder reads out the answer, and explain it to the class to conclude the game.
